GROCERS PREPARE A PRICE CHART

PROSECUTING ATTORNEY MCAFFREY CALLS FOR INFORMATION

PRICES HAVE DOUBLED

Chart Shows Comparative Prices for Last Six Years on Retail Groceries

The retail grocery dealers of Maryville have prepared prices of commodities sold to consumers on July 1, 1914, and on the same day of each year since. The purpose of going back that far is to ascertain the prewar level of prices and to follow the increase by years.

The information was called for by Prosecuting Attorney McCaffrey on behalf of Attorney General Frank McAllister. The chart shows that prices on practically all commodities have doubled in the six years, and in some instances prices have trebeled.

Prices on the following commodities for the six years follow:

Sugar.

Pacific coast cane, per lb., 6½c in 1914; 7c in 1915; 9c in 1916; 9c in 1917; 9c in 1918; and 11c in 1919.

Louisiana cane, per lb., 6½c in 1914; 9c in 1918 and 11c in 1919.

Cuban cane, per lb., 6½c in 1914; 9c in 1918; 11c in 1919.

Beet sugar, per lb., 6½c in 1914; 7c in 1915; 9c in 1916; 9c in 1917; 11c in 1918; 11c in 1919.

Coffee, per lb., 30c in 1914; 30c in 1915; 30c in 1916; 30c in 1917; 30c in 1918; and 45c in 1919.

Flour, per bbl., $5.60 in 1914; $8 in 1915; $6.40 in 1916; $14 in 1917; $12.40 in 1918; and $12.40 in 1919.

Eggs, per doz., 15c in 1914; 15c in 1915; 20c in 1916; 25c in 1917; 30c in 1918; 38c in 1919.

Butter, creamery, per lb., 30c in 1914; 30c in 1915; 30c in 1916; 45c in 1917; 45c in 1918; 55c in 1919.

Oleomargarine, per lb., 30c in 1917; 35c in 1918; 35c in 1919.

Lard, packing house, per lb., 14c in 1914; 13c in 1915; 20c in 1916; 30c in 1917; 35c in 1918; 40c in 1919.

Bacon, packing house, per lb., 25c in 1914; 25c in 1915; 25c in 1916; 40c in 1917; 40c in 1918; 50c in 1919.

Hams, packing house, per lb., 22c in 1914; 22c in 1915; 23c in 1916; 30c in 1917; 35c in 1918; and 43c in 1919.

Irish potatoes, old, per bu., 75c in 1914; 75c in 1915; $1.60 in 1916; $3.50 in 1917; $1.25 in 1918; $1.60 in 1919.

Canned Goods.

Corn, extra standard No. 2, per can, 10c in 1914; 10c in 1915; 10c in 1916; 17½c in 1917; 15c in 1918; 18c in 1919.

Beans, baked, Heinz No. 2, per can, 15c in 1914; 15c in 1915; 15c in 1916; 20c in 1917; 20c in 1918; 20c in 1919.

Tomatoes, extra standard No. 3, per can, 15c in 1914; 15c in 1915; 15c in 1916; 20c in 1917; 20c in 1918; 25c in 1919.

Syrup peaches, extra standard, 2½ pounds, 25c in 1914; 25c in 1915; 25c in 1916; 25c in 1917; 35c in 1918; 45c in 1919.

Red Tall salmon, fancy, No. 1, 20c in 1914; 20c in 1915; 20c in 1916; 25c in 1917; 30c in 1918; 35c in 1919.

Apies, No. 10 cans, 25c in 1914; 30c in 1915; 30c in 1916; 30c in 1917; 40c in 1918; 60c in 1919.

W. M. Jackson of Parnell was here on business yesterday.

LEWIS GILBERT KISER D. AT NIOVARA, NEB., MO.

Mother at Bedside at Time of Death—Body Here Tomorrow—No Funeral Arrangements Yet

Lewis Gilbert Kiser, son of Mr. and Mrs. C. W. Kiser, died at Niovara, Nebr., at 2 o'clock Monday of typhiod fever. His mother was at his bedside when he passed away. The body will arrive Wednesday noon, accompanied by his parents, sister and brother-in-law. The funeral arrangements will not be made until the body arrives.

YEO BROS. HAVE REMODELLED POOL HALL AND ADDED TABLES

Now Have Eight Tables, Three New Ones Having Been Added, Making a Fine Pool Hall

Yeo Bros., proprietors of the pool hall on Main street, have remodelled part of the interior of their pool hall and are adding three new tables. This makes eight tables, placed the entire length of the building. With the new interior fixed up and the added number of tables, Yeo Bros. now have one of the finest pool halls in this part of the state.

COUNTY COURT GRANTS PETITION OF ROY LIPPMAN

To Widen Road in Front of His House for Quarter of Mile—Lyle Gets $150

The county court which heard the petition of Roy Lippman to widen a road running in front of his house and the remonstrance of Robert Lyle, who lived on the other side of the road, granted the petition to Mr. Lippman. The court allowed Mr. Lyle $150 damages, which sum the petitioners must pay. Mr. Lyle originally asked for damages amounting to $1,000. The road in question runs for a quarter of a mile east and west, between the Martha Washington school house and the bottom road on the east. W. A. Blagg was counsel for Lippman, while Cook & Cummins were counsels for Lyle.

W. O. W. AND W. C. PLAN TO HOLD ANNUAL ENCAMPMENT

August 21, 22, 23 and 24 Have Been Set as the Days of the Outing and Bridgewater the Location

The members of the W. W. W. and the W. C. lodges will hold their annal encampment at Bridgewater on August 21, 22, 23 and 24. This encampment is one of the biggest social events of the year for the lodge members and preparations are on foot to make this year eclipse all past efforts in having a good time. The advance guards will go out and pitch tents and make the camping ground shipshape before the arrival of the rest. All members are urged to attend the encampment for a whole or part of the time. Plenty of accommodations have been provided for.

In the way of amusement there will be swimming, boating, fishing and watermelon eating. A prize will be offered to the lady who catches the largest fish. Arrangements have been made for music to be furnished by the W. O. W. stringed quartet. The promoters of the affair guarantee a touch of real life to all comers.

GRAHAM PEOPLE IN ACCIDENT

Car Skids Into Ditch But No One Is Hurt Seriously

Miss Eva Collins of Graham was severely shaken up, but not seriously injured Sunday night, when an automobile in which she was riding skidded and ran into a ditch about three miles southwest of Maryville. The car was owned and driven by Bryan Parsons, who was unhurt. Charley Collins, Belle Richey and Steven Lance, other occupants of the car, were also uninjured.

SUIT IN EJECTMENT

Clarence Baker Brings Action Against Lewis Anderson for Possession of Strip of Ground

Clarence C. Baker filed suit today against Lewis Anderson for possession of a strip of ground between their two places, which the petition states Baker is rightfully owner of. He also asks for damages of $300 for unlawfully withholding same from plaintiff and $5 a month rent for the same. Cook & Cummins are representing the plaintiff.

Miss Olivette Godsey has been visiting in Jameson, Mo., since Saturday with her cousins, Mr. and Mrs. Bryce Adcock.

THE MIGRATING SEASON NOW ON

MARYVILLE YOUNG PEOPLE TO LEAVE SOON FOR COLLEGE.

TEACHERS TO LEAVE

A Large Number of Maryville Residents Will Teach in Other Places This Year.

The next three weeks will be migrating season for many of Maryville's young people who embark this year on college careers or who return to college to resume their courses. The same period is the time for fond memories of a vacation season almost spent on the part of teachers who leave soon to take up their work in various sections of the country.

A return to pre-war conditions in the colleges of the country is indicated by the number of young people contemplating college courses this year. An incomplete list of those who will "go away" to school, together with the school they will attend, is given in the names that follow:

University of Missouri, Columbia: Virgil Rathbun, Ralph Yehle, Jack Costello, Forrest Gillam, Eugene Yehle, Jack Holt, Chester Lyle, William Van Cleve and Cliff Hull, school of journalism.

State School of Mines, Rolla, Philip Colbert, John Wallace, Francis Halasey.

State Normal School, Pittsburg, Kan., Paul Pickens, manual arts and coaching.

Northwestern University, Evanston, Ill., Miss Mildred Bellows.

Rush Medical School, Chicago, Ill., Winifred and Ruskin Hawkins.

St. Louis University, John Owen Murrin, medical course.

St. Mary's Academy, Notre Dame, Ind., Miss Marguerite Cummins.

William Woods College, Fulton, Mo., Misses Virginia Robinson and Loretta Gex.

Drake University, Des Moines, Ia., Miss Laveta McClanahan, Guilford.

University of Wisconsin, Madison, Wis., Charles Bellows, Jr.

Mt. Scholastica College, Atchison, Kans., Miss Bauline Mahoney.

Teachers who make their home in Maryville but who will teach in other parts of the state or out of the state are as follows. The list is incomplete:

Miss Maud McMillan, Milwaukee, Wis.

Miss Alice Orcutt, head of intermediate department, Oakland, Calif.

Miss Bertha Ritze, Minneapolis, Minn.

Miss Dora Carpenter, supervisor of foods and sewcing, Watertown, S. D.

Miss Nina Bent, English and art, high school, Taylorville, Ill.

Miss Mabel Curnutt, instructor home economics in high school and music supervisor in the grades, Ord, Neb.

Verne Pickens, manual training and coach, Lawton, Okla.

Lloyd Hartley, manual training and coach, Texarkana, Texas.

Miss Josephine Keeler, Tacoma, Wash.

Miss Nelllie Wray, supervisor music and art, Orange, Texas.

Miss Julia Denny, Oklahoma City, Okla.

Miss Arlie Hulet, head of home economics department;; Misses Mary Wallace, Mary Lewis and Esther Deitz, El Reno, Okla.

Miss May Growney, English and Latin, Big Horn, Wyo.

Miss Hazel Wallace, English and Latin, Stanberry high school.

Misses Elizabeth Cook, Nelle Tobin, Edna Benewitz and Mamie Kane, St. Joseph.

Madison Wilson, Guilford, principal ward school, Oklahoma City, Okla.

Warren Breit, superintendent Forest City, Mo., schools.

Miss Sebee Rowley, Webster Grove, Mo.

Donald Robey, manual training, Twin Falls, Idaho.

Miss Jessie Mutz, head economics department, Hanford, Calif.

Alva Hill, consolidated school near Mound City, Mo.

Miss Marie Landfather, Ravenwood.

Miss Frances Smith, English in high school; Miss Stella Smith, mathematics in exclusive seventh grade school, San Antonio, Texas.

Miss Olivette Godsey, English, history and music, Stanberry high school.

Miss Dale Hulet, head commercial department in high school, Mangum, Okla.

Miss Lucile Airy, commercial department, girls' boarding school, Brewton, Ala.

Miss Ruby Melvin, Long Beach, Calif.

Harvey Watson, manual training, Colfax, Wash.

AVIATORS REACH U. S. SOIL TODAY

$7,500 RANSOM PAID FOR LIEUT. PETERSON'S RETURN

RELEASED BY STRATEGY

Capt. Matlack, Cavalry Officer, Goes Unaccompanied to Bandit Rendezvous After Lieutenant Davis

Washington, Aug. 19—Reports that an American punitive expedition, commanded by Colonel George Langhorne, crossed into Mexico to run down the bandits and Mexican kidnappers, who carried off and held for ransom two American aviation experts, reached here today. The report was most specific but officials of the War Department refused to confirm it, although they did not deny it. Secretary of War Baker refused to talk, saying he might have something to say later on. At noon Baker conferred with Lansing following which he declared again that he would make a statement later.

Marfa, Tex. Aug. 19—Lieutenants Harold Peterson and Paul Davis, American aviators captured by a band of Mexican bandits and held for a $15,000 ransom, are safe today on the United States side of the Mexican border. Lieut. Peterson's freedom was bought for $7,500 and Lieut. Davis was rescued by Capt. Matlack, 8th Cavalry, who unaccompanied, went to the bandits' rendevous and brought about the release of both aviators. Lieut Peterson crossed the border shortly after 1 o'clock this morning. One hour later Lieut. Davis and Capt. Matlack reached American soil. The release of Davis was secured by strategy.

FLUSHING MAINS MAKES WATER DIRTY TODAY

Settling Basins Are Also Being Cleaned—Everything in Fine Shape, Says Mayor Garrett

Why was the water muddy today?

This question was answered by Mayor Garrett this morning, who stated that the water mains are being flushed out today and that the muddiness of the water is only a temporary condition. After the mains have been thoroughly cleansed the water will be clear again.

In addition to cleaning out the mains the settling basins at the pumping plant are being cleaned, and the system will soon be in tip-top condition. Basin number one was drained this morning and will be cleaned today. Basin number two was cleaned last week.

There is more water in the reservoirs than there has been for some time, and after the cleaning process is finished there will be clear water in abundance. In the words of Mayor Garrett, "We have plenty of water in the reservoir; we have plenty of coal to pump it with—we couldn't be in better shape."

The mayor also suggested that water users help along the fall cleaning by draining out the range boilers or reservoirs in their own homes.

With the time still several days off for the opening of the bids for the installation of new equipment as authorized in the recent bond issue, Mayor Garrett is in receipt of several bids. The bids will be opened on September 2, and the mayor is hopeful of an immediate start on the work of installing the new plant.

PICKERING GIRL HURT

Miss Alice Garten Breaks Collar Bone in Auto Accident—Is Doing Well

Miss Alice Garten of Pickering, who was thrown from an automobile in an accident near Maryville Sunday evening, is doing nicely today. She received a broken collar bone, but was not hurt internally. The other occupants of the car, Edwin McKee and Everett Swaney of Pickering, and Miss Mary Scott of near Pickering, were not hurt seriously.

The accident occurred near Pickering, the acr turning over and throwing out all the riders.

GRAHAM TO HAVE HOME COMING DAY

SOLDIERS WILL BE GUESTS OF HUGHES TOWNSHIP

PICNIC—BASKET DINNER

A Full Program Has Been Arranged and There Are Several Added Attractions

Soldiers' Home Coming Day for Hughes township, will be celebrated at Graham, Thursday, August 21, with an old fashioned "picnic" and backet dinner to be held in the Kyle pasture.

There will be a program both morning and afternoon of songs, readings and speeches, and several added attractions have been secured. W. A. Blagg of Maryville will make the principal address in the afternoon. Lieut. J. V. Hyde in his ninety horse-power Curtiss biplane will make a flight in the morning at 11 o'clock, when he will demonstrate the dare-devil tricks used by American army flyers in the great world war. Lieut. Hyde is the flyer who took up passengers during the Maryville fair.

The Vanderbilts, contortionists and acrobats, are another attraction secured from the Nodaway County Fair. Music will be furnished by Lum Patterson's New Point, Mo., band. A ball game will be staged in the afternoon between the Graham and Clearmont teams and there will probably be other games. Quoting from the bills advertising the event, "there will be 'something doin' all the time."

Soldiers will not be required to wear uniforms. The affair is given in honor of the soldiers, and all others are expected to contribute to the basket dinner. Paper plates will be provided.

The program for the day is as follows:

MORNING

Invocation	Elder S. D. Harlan
Music by the Band	
Reading	Mary Crawford
Reading	Glee Hukill
Song—"We'll Never Let Our Old Flag Fall"	By Chorus
Flag Drill	
Song	Mrs. Carl Helzel
Reading	Frieda Bennett
Reading	Miss Edna Bond
Hoop Drill	
Song "Home Again"	Chorus
Welcome Address	Rev. Frank DeBolt
Music	By the Band
Benediction	Rev. Rollie Poe
Dinner	
Afternoon Program—	
Music	By Band
Address	Hon. W. A. Blagg
Music	By Band

SEWELL AND KRAMER FROM A PARTNERSHIP

Garage and Tire Men to Conduct Business Under the Name of Sewell-Kramer Motor and Tire Co.

John H. Sewell, for the past seven years owner of the Sewell Garage and head of the Sewell Auto Co., and H. W. Kramer, who has been operating a tire repair shop in connection with the garage, have entered into a partnership and hereafter will conduct their business under the name of the Sewell-Kramer Motor and Tire Co.

The new firm will have excellent facilities for all kinds of repair work and will continue to handle the Overland automobile and Republic truck and Mohawk and Firestone tires.

Mr. Kramer wil continue in charge of the tire department, where he has been so successful in the past two and a half years. Prior to entering into partnership with Mr. Sewell, Mr. Kramer had installed complete equipment for the retreading and rebuilding of tires as well as the repairing of tires and tubes, and under the new arrangement friends predict an even more remarkable success than he has already enjoyed.

The senior member of the firm is recognized as a leader in the automobile industry and one of Maryville's leading business men. He will continue in charge of the automobile department of the business.

Miss Orcutt to California.

Miss Alice Orcutt left this morning for Oakland, Calif., where she will be head of the intermediate department of the public schools for the ensuing year. Miss Orcutt, who spent several weeks during the summer vacation with her parents, Mr. and Mrs. Frank Orcutt, recently returned from an extended eastern trip.

AIR SERVICE WEAKENED BY TOO SPEEDY DEMOBILIZATION

Would Be Powerless to Make Expedition Into Mexico if Needed for Duty There

Washington, Aug. 19—The disintegration of the army air service has been so rapid that should the United States have to intervene in Mexico now, there would not be enough flyers in service to maintain the expedition, General Mitchell, director of the air vice, told the House rules committee today.

BRIDGE OVER WHITE CLOUD BEING PUT IN BY COUNTY

Considerable Difficulty Was Had in Securing Workers and Conveyances to Haul Sand—A Steel Bridge

The bridge over White Cloud creek near the Lou Rodgers farm, northwest of Maryville, is under construction now. Considerable difficulty was had in securing help to haul sand for concrete work on the bridge. Three threshing machines in that neighborhood made it impossible for the farmers to extend their services. Finally two trucks were secured and George Craig and Elmer Bagby hired to haul sand. The bridge is to be of steel with concrete abuttments and floor.

FARM AT $450 AN ACRE

H. A. Watts Buys Jacob Sutterlin's 60-Acre Farm

The top price for farm land near Maryville was reached this week when Jacob Sutterlin sold his 60-acre farm about one mile northwest of town for $450 an acre, H. A. Watts being the purchaser.

Claud McCoy sold his 120-acre farm, located southeast of Burlington Junction, to J. F. Miller of Atchison township for $155 an acre.

The Henry Watts farm of 120 acres, located four and a half miles southwest of Maryville, was sold to Elmer Dougherty of Page county, Iowa, at $210 an acre, or $25,000.

All of the above deals were made by Allen Bros.

Colorado Visitors Leave.

Mrs. Marvin Bell and son, Albert Gordon, of Derby, Colo., who have been visiting Mrs. Bells' parents, Mr. and Mrs. J. C. Clayton, living near Barnard, and her sister, Mrs. Louella Landfather, and other relatives in Maryville, left this morning for their home.

Mr. and Mrs. Heber Michaelson and children, Basil, Jesse and Ermil, have returned from an automobile camping trip to Colorado Springs, Colo., where they visited friends.

Ohio Visitors.

Mrs. Henderson McFadden and Mrs. Lillie Porter and daughter, Margaret, of Cadiz, Ohio, arrived last night to visit their aunt, Mrs. R. G. Richey. They will also visit a cousin, John Richey, and family.

Texas Visitors Leave.

Miss Berneta Minkwitz of Richmond, Texas, and Miss Enola Sheppard of San Antonio, Texas, who have been guests for a few days of Miss Helen Todd, left this afternoon for Madison, Wis.

Several Buy Foodstuffs.

Several orders have been placed at the postoffice for the surplus army foodstuffs which is now on sale at that place. A number of others have stated they would place orders tomorrow. It is not expected that all of the foodstuffs alloted to Maryville will be disposed of.

MARRIED BY JUDGE JOHNSON.

Miss Eva Davidson, Richmond, Mo., was married to Henry C. Davidson, Richmond, Mo., late yesterday by Judge Johnson, justice of the peace. This was Judge Johnsons four hundred and eighty-ninth marriage since he has been a justice of the peace.

Mrs. Margaret Dodds left for her home in Bolckow this afternoon after spending a few days with her cousin, Mrs. Helen Hopkins.

PRESIDENT SURPRISES OPPONENTS

DOES NOT OBJECT TO INTERPRETATIONS OF TREATY

URGES SPEEDY ACTION

President Tells Foreign Relations Committee Treaty Must be Ratified to End Unrest

Washington, Aug. 19 — President Wilson today again urged the senate to immediately ratify the Versailles treaty. In a lengthy statement which he read as soon as the hearings with the foreign relations committee as guests began in the blue room of the White House, the president declared the present unrest throughout the country cannot be ended until peace is an actuality.

The president threw a bombshell into the committe before he finished his statement when he declared there could be no objections to interpretations accompanying the ratification of the treaty so long as such interpretations do not form part of the formal ratification itself. His objections to making such interpretations part of the formal resolution was that the long delay would be inevitable as a consequence as all governments concerned would have to accept in effect the language of the senate as the language of the treaty before ratification would be complete.

The assent of the German assembly at Weimar would also have to be requested if the treaty is changed, the president said. Qualifications as a prt of the treaty, the president said would cloud the entire document. The president declared that when three powers ratify, the treaty will become effective and pointed out that unless the United States acts promptly she wil be forced to leave the markets of central Europe to trade rivals.

NODAWAY COUNTY CATTLE WIN AT STATE FAIR

F. C. Barber and Sons Win Large Share of Premiums at Sedalia—A Bellows Calf Wins

F. C. Barber and Sons of Skidmore again demonstrated the superiority of Nodaway county in fine beef cattle last week when the Barber entries in the Shorthorn classes at the Missouri State Fair were awarded the blue ribbon in both the senior and junior bull calf classes and four seconds, five thirds and two seventhsin other classes.

In the herd classes Barber and Sons won second on calf herd, third on young herd and both second and seventh on get of sire. In the aged bull class the Barbers won third on Village Perfection; junior yearling bull class, third on Village Emblem; senior bull calves, first on Village Signet; Junior bull calves, first on Bapton Villager; senior yearling heifers, second on Village Viola; junior yearling heifers, third on Village Emma 10th; Junior heifer calves, second on Village Violet; senior heifer calves, first on Village Emma 16th, and seventh on Perfection Rose.

Barber and Sons were the only Nodaway County exhibitors at the State Fair this year, it being too early in the season for Bellows Brothers or Ogden and Son to enter their cattle. However Supreme Queen, a calf bred by Bellows Brothers and sold by them recently, was entered at the show by its present owner, and won both the junior championship and the grand championship.

Miss Mildred Shinabarger is spending the week with Miss Loretta Gex, at her home near Graham.

WANT RETURN TO NORMAL CONDITION

REP. SCOTT FARRIS SAYS PEOPLE WANT SPEEDY ACTION.

G. O. P. CONGRESS FAILS

Republicans Must Substitute Constructive Action for Words or be Deposed from Power.

Washington, D. C., Aug. 19.—Immediate relief from profiteering, prompt ratification of the peace treaty, including the League of Nations, and legislation extending some sort of substantial recognition to discharged soldiers for their services during the war are some of the things the country demands of Congress, and which Congress would do well to grant, in the opinion of Representative Scott Ferris of Oklahoma.

Representative Ferris, who is Chairman of the Democratic Congressional Committee, has just returned to Washington from a trip to the middle west. He declares that the public is tired of the unending debate for which the present Congress is most celebrated and which gets nowhere, and that unless the Republicans, who control Congress, substitute constructive action for words before much longer, they will hear from the country in tones that will be very distinct.

"If I am any judge of public sentiment the middle and southwest," said Mr. Farris, "the preponderance is that the peace treaty, including the League of Nations, be agreed to at the earliest possible date; that the war be finally closed; that peace and pre-war conditions be immediately restored, and that we get back to normal conditions at the earliest possible moment. The people understand full well that the peace treaty carries provisions, first, for arbitration; second, for disarmament; third, against secret treaties and, fourth, that the United States can, on two years' notice, withdraw from the League if she desires. They are heartsick about debates on Shantung and other technical phases—they want the whole matter agreed to and put behind them.

"If I am any judge, the people demand some immediate and affirmative protection against profiteering and those who are making abnormal profits out of the necessities of life. They also want it made perfectly clear that President Wilson's suggestions will be followed and that every profiteer in whatsoever walk of life be required to content himself with reasonable profits. Conditions are too abnormal and the load of the citizen is too heavy at this particular time to withstand the fabulous profits that are being snatched from both producer and consumer on every hand.

"The people demand that Congress do for the four million discharged soldiers what other countries are doing—give them some substantial recognition of their service. In conversing with numerous soldiers on the subject, they express the hope that the Mondell soldier land bill might be materially amended so that it will be made to benefit a very much larger number of soldiers and extend the hand of opportunity to those who do not desire to enter a soldier colonization plan.

"In short, if I am any judge, the people of the middle and south west desire to put the abnormal war conditions behind them as rapidly as possible, resume pre-war conditions and take up their tasks anew, and any delay or long-drawn-out debate in the Senate over the peace treaty will be disheartening to them, as it will be unprofitable to the country at large.

"I see that it has been asserted by Republicans now in control of both branches of Congress that the legislation on the calendar is 'chicken feed' and does not deserve the attention of Congress.

"The American people, who are daily being robbed by profiteers and food gamblers, will be slow to agree with this logic. The railroad problem, intricate though it be, deserves attention now. The development of the west by appropriate legislation for the development of oil, coal and other natural resources are all held in abeyance. Unless the Republican leaders in Congress are totally wanting in initiative, and are totally without ability to assemble themselves and act, substantial and immediate steps should be taken for the solution of these problems.

"The Republican Congress has been in session nearly three months. All it has been able to do is to re-enact the bills the Democrats formulated in the last Congress and which were killed by the epublican filibusters in the Senate. They have initiated nothing new. They have made no substantial effort to achieve the things for which the American people are clamoring. They have been without vision and without ability to cope with the problems that come up. The Republicans have been entrusted with power, it is their move."

Special Demonstration during National Caloric Week August 23rd to 30th. Prepare for winter now. Let us explain how the Caloric Pipeless Furnace saves half the fuel and is so clean to operate. Howard Wray Hardware Co. 18 tf.

NEW YORK TRAFFIC NORMAL AFTER TRAFFIC STRIKE ENDS

Elevated and Subway Lines Running as Usual Today After Yesterday's Walkout

New York, Aug. 19.—Traffic was resumed on New York subways and elevated lines today. The strike was declared off early today.

PESBYTERIANS DEFEATED BY 10 TO 5 COUNT IN TWILIGHT

The Presence of the Black Brothers in the Christian Lineup Was Too Much of Handicap

The baseball game between the Presbyterians and the Christians in the twilight yesterday ended with the latter victors. The count was 10 to 5. The Christians owe their victory largely to the presence of the Black brothers in their lineup. The game was hard fought throughout and the Presbyterians never gave up until the last man in the fifth inning struck out.

Brazil will manufacture quinine and distribute it through malarial sections of the country.

Best in the world
All kinds, can 10c
Beech Nut Wafer sliced Bacon
Large jar 47c
Mason half-gal fruit jars
doz $1.00

Meats in Storage Not "Hoarded"

Live stock is a seasonal crop—like cereals and grains.

It is "ripe" and is marketed in larger quantities in certain months. This causes a natural oversupply at one time and a natural shortage at another.

During the time of oversupply Swift & Company places some of the meat in cold storage, against the season of short production.

This is a necessity in order that the nation's ration of meat—58,000,000 pounds every day in the year—may be forthcoming as the consumer requires it.

This is not hoarding, not price manipulation, not market control. It is mere common sense.

United States Bureau of Markets' figures of stocks of frozen and cured meats July 1 are being used as a basis for Department of Justice investigations in many cities. When properly analyzed, based on Swift & Company's stocks, these figures show:

62 per cent (approximate) is pork and beef cuts, etc., cured and in process of curing. It takes 30 to 90 days in pickle or salt to complete the curing process.

12 per cent is frozen pork, of which more than three-quarters is to be cured in the next few months.

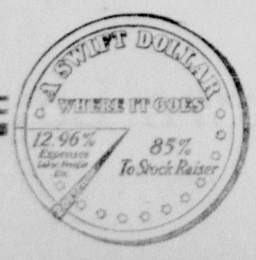
7 per cent is lard. This is a normal supply and only four-fifths of a pound per capita, and much of it will have to go to supply European needs.

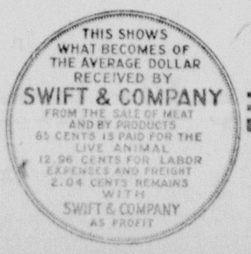
19 per cent is frozen beef and lamb, and miscellaneous meats, part of which is owned by the Government and was intended chiefly for over-seas shipment. If this were all diverted to domestic trade channels it would be only 2½ lbs. per capita—a 5 days' supply.

100%

From this it will be seen that "meats in storage" represent unfinished goods in process of curing and the working supply necessary to assure the consumer a steady flow of finished product.

Swift & Company, U.S.A.





THIS SHOWS WHAT BECOMES OF THE AVERAGE DOLLAR RECEIVED BY
SWIFT & COMPANY

K. OF C. SPENT FIFTEEN MILLIONS IN WORK

One-Half of Fund Went for Delicacies Which Were Given Away to Soldiers and Sailors

New York, Aug. 18.—Approximately 7 million dollars of the funds expended by the Knights of Columbus for war work during the year ending June 30 purchased "creature comforts," which were distributed to the men of the army and navy free of cost, according to a report on war activities of the Knights issued here yesterday by the organization's supreme board of directors.

Among the supplies distributed were 900 million beef cubes, 618 million cigarettes, 3¾ million pipes, 546,851 pounds of pipe tobacco and 3 million pounds of candy.

In the thirteen months, says the report, the Knights received 17 million dollars of the 25 million dollars alloted them in the United War Work campaign to which was added $1,776,409 which had been collected by the Knights prior to the war work dirve. Disbursements were, for activities in the United Staes, $5,468,060.79, and for activities overseas, $9,550,082.62, a total of $15,018,143.41, leaving unexpended a balance of $2,112,151.46.

Of the funds expended in the United States, $1,303,022.85 went for construction of huts and other buildings and rentals. A total of 461 buildings in thirty-two camps were operated. Personnel expense including salaries, traveling expenses, uniforms and other personal equipment cost $1,046,680.11 for a total personnel of 1,134. Other large items included $74,659 for activities on the service program, including athletics, entertainments, and educational, social and employment service; $138,058 for general administration; $170,244 for motor transport service. Overseas, the Knights spent $50,294 on building and equipment; $623,700 on personnel expense; $438,438 on activities on service programs; $110,032 on motor transportation; $166,932,933 on freight and insurance; $89,253 on general administration. In addition to nearly 5 million dollars expended overseas for creature comforts, $3,508,448 was disbursed through overseas commissioners for expenditure in the various overseas activities.

The Knights maintained overseas 125 huts and clubs of substatial size and equipped about an equal number of smaller clubs. Thirty-two clubs were maintained in Germany, four in Italy, nine in the British Isles and one in Antwerp.

The Knights sent 1,075 workers overseas out of a total number of 7,414 applicants. New York state led with 292 Illinois supplied 93, Pennsylvania 61, Indiana 38. Every state in the Union was represented in the overseas rank of the Knights of Columbus.

Almost a Shadow, Afraid to Eat

"My son-in-law was so bad from stomach trouble that he was reduced to almost a shadow and was afraid to eat anything, as all food caused bloating of gas which pressed against his heart, worrying him very much. Our druggist persuaded him to try Mayr's Wonderful remedy and in two months he looked fine, can eat anything and works hard every day." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Maryville Pharmacy and druggists everywhere. ADV.

Wirthmor Silk Blouses

—make their debut tomorrow, and fortunate will be those who come in time to buy

—In the Blouse making world as well as with hosts of women throughout America the word WIRTHMOR has come to have a wholly unique, definite and distinctive meaning. It is a symbol always of quality; an unfailing sign of merit; a certain indication of Style attractiveness and inbuilt goodness; a positive assurance of complete and lasting satisfaction. To that great Wirthmor following, as well as to the women everywhere who spend judiciously, who insist on the greatest return for the expenditure, the fact that Wirthmor Blouses are hereafter to be obtainable in beautiful Georgettes and Crepe de Chine and wash satins of exceptional quality will come as a bit of most welcome news.

In this new group of models (four of which are above illustrated) there's a pleasing diversity of Style. Some of the models are handsomely embroidered, others are Filet last trimmed, while others depend on an attractive arrangement of tucks, pleats and buttons for their appeal.

Wirthmor Silk Blouses $5

The Same Price the Nation Over

If bought and sold in the ordinary way these Blouses would have to sell for far more. Bought and sold, however, in the WIRTHMOR way, the way that makes for innumerable economies in both the manufacture and sale, this very modest price is possible. They are not five dollar Waists, but Waists which we, and we alone in this city because of the very fortunate arrangement with the Wirthmor manufactures can sell at this price.

JUST A LIMITED QUANTITY AND NO MORE OF THE SAME STYLES WILL BE OBTAINABLE.

Sold at Just One Good Store in Every City and Sold Here Only.

Mr. and Mrs. Albert E. Bell are visiting in Clearmont for a few days with their daughter, Mrs. John Clary, and family.

Mrs. Ernest Gooden of Parnell spent yesterday in Maryville.

Cecil Hyde of of Pickering, who recently returned from overseas service, left this afternoon for Lyons, Colo., for his health. Mr. Hyde served in France thirteen months and was with the 16th engineers.

Loch Dinner Guests.

Mr. and Mrs. Denver Loch of Pickering entertained at dinner Sunday Mr. and Mrs. A. H. Leech, Lloyd and Dennis Leech, S. C. Leech and Howard Leech. Mr. and Mrs. C. A. Loch were after dinner guests.

Dowden Pays $250 an Acre.

Sheriff John F. Dowden has purchased the Jonathan Sprague farm, located five miles northwest of Maryville, at $250 an acre. There are 160 acrse in the tract.

RAIN HELPS CORN CROP THROUGHOUT THE STATE

Wheat is Not Threshing Out Up to Expectations—Apple Crop Is Fair

Jefferson City, Aug. 19.—Following is a synopsis of the weather and crop conditions in Missouri for the week just closed:

"The hot weather of the preceding week continued during the first two or three days of last week, but beginning with and following Thursday the weather was unusually pleasant for outdoor work and the lower temperatures were rather beneficial to growing crops. Local showers with some good rain fell in the north central counties extending from Boone to Putnam and from Caldwell to western Ralls county. The total fall exceeded one inch in Macon, Linn, Sullivan, and in Adair it was from two to three inches. Corn in this section has been greatly benefitted and will make a fair to good crop. The rain also was very heavy in Vernon county and parts of the adjoining counties. Elsewhere it was light and entirely lacking. From Mercer to Atchmoisture.

"In Franklin, St. Louis and Jefferson, thence southward, corn is poor to very poor, especially on the higher lands, and similar conditions prevail in Greene and the southwestern counties.

"Threshing wheat made fair progress in some sections and little or none in others because of a scarcity of machines. There are some good local yields, but as a rule both the yield and the quality are much below expectations.

"Pastures are fair to good where rains have fallen, but elsewhere, and particularly in the southern half of the state, the are thin and brown. A few stockmen are feeding. The hay crop is fair to good. Garden where rains have fallen are giving fair returns.

Cotton in Pemiscot county is fair to good. In Dunklin and other cotton counties it is fair to poor. The weather has been to hot and dry and the crop remained in grass too long for best results.

The apple crop is fair to good in portions of the Ozarks and on some of the Missouri river hills, but there is considerable drop.

Considerable fall plowing has been done where the ground is not too dry.

"In times to come, by natural selection, there will be a race of chickens that will not try to cross a road in front of a motor car," the Manhattan Mercury says. "Those that do now fail to reproduce their kind."

LOST—At the fair grounds, piece of tapestry marked C. Crane. Reward. A. B. Crane. 19-21*

Social, Clubs Churches

I. I. Club.

Mrs. John Halasey was hostess last Wednesday afternoon to the I. I. Club. Light refreshments were served by the hostess to seven members and one visitor, Mrs. Tab McDowell. The club will hold its next meeting Aug. 27 with Mrs. Byron Kinsley.

Miss Grems Hostess.

Miss Della Grems was hostess this morning to the Tuesday Afternoon Bridge Club. Mrs. Ferdinand Townsend received the favor for high score. Mrs. Hosick Holmes of Omaha, Nebr., and Miss Margaret Beattie of Newport, Ark., were guests of the club.

For Miss Pearson.

Miss Matie Price entertained a number of her friends last night at her home on East First street, in compliment to Miss Helen Pearson of St. Joseph, who has been spending the week here with friends. Hearts was played from four tables and the prize was awarded Lee Cook of Barnard. Refreshments were served at the conclusion of the games.

For Des Moines Visitors.

Miss Katherine Carpenter gave a movie party at the Empire theatre last night in compliment to Misses Mary and Margaret Foster of Des Moines, Ia., who left for their home today after visiting relatives here. Refreshments followed at the Maryville Drug Store, and the guests included the Misses Foster, Misses Geneva and Marjorie Wilfley, Miss Elizabeth Leet, Miss Marguerite Cummins, Miss Anna Bainum and Miss Lillian Carpenter.

Bell Family Dinner.

Mr. and Mrs. Albert E. Bell gave a family dinner Sunday noon at their home on South Walnut street. Plates were laid for Dr. and Mrs. Charles T. Bell and little son, Charles Robinson, Mrs. T. L. Robinson, Mr. and Mrs. John Clary and son, Junior, of Clearmont, Mrs. Marvin Bell and son, Albert Gordon, of Derby, Colo., Mr. and Mrs. John Richey, Miss Mary Margaret Richey and the host and hostess.

Hyde Dinner.

Mr. and Mrs. Del Hyde, living east of Pickering, entertained at dinner Sunday, their guests being Mr. and Mrs. Fred Carothers and daughter, Vivian, Mr. and Mrs. M. H. Wallace and children, Marian and Doris, all of Nodaway, Ia., Mr. and Mrs. Virgil Hyde and sons, Ervil and Eugene, of Lenox, Ia., and Cecil Hyde.

Guests at Cummins Home.

Mrs. Mayme O'Malley and daughters, Elizabeth and Kathleen, of St. Joseph, are guests of T. A. Cummins and daughter, Miss Marguerite Cummins. They have been visiting in Albany and motored here Sunday with a party of friends from Albany, who spent the day at the Cummins home. The Albany guests included Misses Lulu and Elma Hundley, Mrs. Boyd Smith and Lloyd Patton.

Moberly Family Dinner.

A reunion of the family of Mrs. David Moberly of Pickering was enjoyed Sunday at the home of Mr. and Mrs. W. T. Rutherford. Mrs. Martha Moberly was 80 years old last June and has been an invalid for many years. The fourth generation of the family was represented Sunday. Those present were Darius Moberly and family of Tulsa, Okla., Mr. and Mrs. Elmer Moberly of Maryville, Mr. and Mrs. John Moberly and daughter, Goldie, of Barnard, Arma Moberly and family of Cameron, John Williams and family of Stanberry, Mrs. Henry Rutherford and family of Burlington Junction, Miss Lanta Moberly, John McGuire, Mrs. M. V. Epps of Pickering and Elias Taylor of Lucerne, Kan. A picture of the company was taken as a reminder of the occasion.

For Florida Visitors.

Mrs. Lillian Selecman entertained with a dinner this noon, the affair being complimentary to Mr. and Mrs. S. T. Humber of Sarasota, Fla., who leave tonight for their home after spending the summer here with relatives. Those present were Mr. and Mrs. Humber, Mr. and Mrs. W. E. Estes and son, John, of Upland, Cal., Mrs. N. F. Humber, Mrs. G. W. Bowmer, Mary Elizabeth Selecman, Merle Selecman and the hostess. Mr. and Mrs. A. R. Estes will entertain the same company at 6 o'clock dinner tonight at the Estes cafe.

Your Coal Bill

is not the only expense of cooking with an ordinary stove—

There is the trouble and dirt, there's kindling to buy and there is coal dust and soot to contend with besides paying someone to haul away the ashes.

There is none of that with electric cooking, and besides it does the work BETTER.

When your turn the electric oven on and set it by the clock so it will heat JUST RIGHT to cook whatever you have to put it in, YOU KNOW THAT THE HEAT WILL BE EXACTLY RIGHT. You also know that it will be automatically turned off when the oven is hot enough and that the food will go on cooking till it is done and then stay hot till you take it out.

And all this advantage, saving and convenience is accomplished without costing any more for fuel than the coal stove way. We have shown what people are paying for electricity to cook with and if you will come to the office we will give you the average of all bills which should be a fair average of what it will cost you to cook by electricity.

16,000 Acres at Public Auction

The Dr. Rea Ranch in the northwest corner of Stanton County, Kansas is to be sold, 160, 320 or 640 acre Tracts to highest bidder on Sept. 9, 10, 11—fine black virgin soil. Wheat produced 20 to 30 bushels this year, in this section.

This will be one of the last opportunities to get land at your own price. Take a trip with us to this sale.

Call on me for particulars, Reserve this add, you may not see it again.

CHAS. HYSLOP, Agent

One of our savings depositors has $191.65 in the bank—he started the account with $5.00 and has made deposits since that time of amounts ranging from $5.00 to $20.00. His interest has amounted to $19.95.

Much of this money he would have spent if he had not started a savings account, so the $191.65 that he now has is really clear profit to him.

Even if you have a checking account at this bank it will pay you to open a savings account to take care of the loose pennies, and you will be surprised to see how soon they will grow to dollars.

4 per cent interest compounded semi-annually.

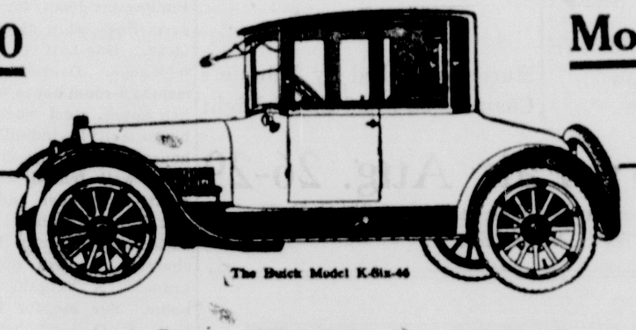
1920 Model K-46



The Buick Model K-Six-46

Buick Touring Coupe

THE BUICK Model K-Six-46 is a true Coupe model, with permanent sides and roof, an exceptionally wide body, and its graceful contour eliminates all open spaces between the body and fenders. From the outside, the appearance of the car is low, rakish and well-balanced, but there has been no sacrifice of interior head room. The rear fenders are new in design, with touring car running boards. Top, window casings and sashes, are fully metal covered, eliminating the possibility of checks and open joints.

The deeply upholstered interior is finished in a new and improved fabric, without bindings. Back of the driver's seat is a carrying space, with another in the rear deck. Electric side lamps are mounted on the cowl and a dome illuminates the interior. The double-latch doors may be locked from the outside.

The CaloriC is the heating system that is advertised nationally in the Saturday Evening Post, Country Gentleman and many other leading publications.

Everybody INVITED!

COME — ENJOY — AND PROFIT BY

See the Caloric full page Ad in Aug. 23d Saturday Evening Post

NATIONAL CALORIC WEEK
August 23rd to 30th inclusive

OVER 76,000 CALORICS IN USE

Save ⅓ to ½ the fuel

Heats entire Buildings of 18 rooms or less thru ONE REGISTER

Installed in old or new homes

GUARANTEED

On these days there will be a nation-wide demonstration of the famous

PIPELESS CALORIC FURNACE
THE ORIGINAL PATENTED PIPELESS FURNACE

We have made special preparations to make this an interesting and profitable event for every visitor. It will be an opportunity for you to learn how the heating industry has been revolutionized by utilizing the natural law of heat circulation—how the CaloriC heats entire buildngs, upstairs and down, through one register.

Possibly you may feel you are not ready to make any change in your heating system, but come any way. You will enjoy this demonstration and perhaps when you see what the CaloriC will actually do and learn its low first cost, and what it will save, you will realize, like 76,000 other people have, that you really cannot afford to be without it. COME!

The SANDOW TRUCK For Farm Work

HOW HEAVY WAS THE HEAVIEST LOAD YOU EVER HAD TO HAUL?

That's what you want to think about when you buy a motor truck—not how small a truck you can get along with, but how big a truck you will have to have to do ALL your work.

The thing that makes a truck pay for itself is its ability to do all the work required of it, do it economically and with the least wear.

The Sandow is built in six sizes, 1, 1¼, 1½, 2, 3½ and 5-ton. Every size is substantially overstrength so that it will do ALL the work required and a little more.

This is what makes the Sandow such an ideal farm truck—you can load it with anything and go anywhere with it. It is not a "cheap" truck, but a really substantial, hard-working, long-wearing machine that will be the most economical truck for the farmer to buy.

GROCERS PREPARE A PRICE CHART

PROSECUTING ATTORNEY M'CAFFREY CALLS FOR INFORMATION

PRICES HAVE DOUBLED

Chart Shows Comparative Prices for Last Six Years on Retail Groceries

The retail grocery dealers of Maryville have prepared prices of commodities sold to consumers on July 1, 1914, and on the same day of each year since. The purpose of going back that far is to ascertain the pre-war level of prices and to follow the increase by years.

The information was called for by Prosecuting Attorney McCaffrey on behalf of Attorney General Frank McAllister. The chart shows that prices on practically all commodities have doubled in the six years, and in some instances prices have trebeled.

Prices on the following commodities for the six years follow:

Sugar.

Pacific coast cane, per lb., 6½c in 1914; 7c in 1915; 9c in 1916; 9c in 1917; 9c in 1918; and 11c in 1919.

Louisiana cane, per lb., 6½c in 1914; 9c in 1918 and 11c in 1919.

Cuban cane, per lb., 6½c in 1914; 9c in 1918; 11c in 1919.

Beet sugar, per lb., 6½c in 1914; 7c in 1915; 9c in 1916; 9c in 1917; 11c in 1918; 11c in 1919.

Coffee, per lb., 30c in 1914; 30c in 1915; 30c in 1916; 30c in 1917; 30c in 1918; and 45c in 1919.

Flour, per bbl., $5.60 in 1914; $8 in 1915; $6.40 in 1916; $14 in 1917; $12.40 in 1918; and $12.40 in 1919.

Eggs, per doz., 15c in 1914; 15c in 1915; 20c in 1916; 25c in 1917; 30c in 1918; 38c in 1919.

Butter, creamery, per lb., 30c in 1914; 30c in 1915; 30c in 1916; 45c in 1917; 45c in 1918; 55c in 1919.

Oleomargarine, per lb., 30c in 1917; 35c in 1918; 35c in 1919.

Lard, packing house, per lb., 14c in 1914; 13c in 1915; 20c in 1916; 30c in 1917; 35c in 1918; 40c in 1919.

Bacon, packing house, per lb., 25c in 1914; 25c in 1915; 25c in 1916; 40c in 1917; 40c in 1918; 50c in 1919.

Hams, packing house, per lb., 22c in 1914; 22c in 1915; 23c in 1916; 30c in 1917; 35c in 1918; and 43c in 1919.

Irish potatoes, old, per bu., 75c in 1914; 75c in 1915; $1.60 in 1916; $3.50 in 1917; $1.25 in 1918; $1.60 in 1919.

Canned Goods.

Corn, extra standard No. 2, per can, 10c in 1914; 10c in 1915; 10c in 1916; 17½c in 1917; 15c in 1918; 18c in 1919.

Beans, baked, Heinz No. 2, per can, 15c in 1914; 15c in 1915; 15c in 1916; 20c in 1917; 20c in 1918; 20c in 1919.

Tomatoes, extra standard No. 3, per can, 15c in 1914; 15c in 1915; 15c in 1916; 20c in 1917; 20c in 1918; 25c in 1919.

Syrup peaches, extra standard, 2½ pounds, 25c in 1914; 25c in 1915; 25c in 1916; 25c in 1917; 35c in 1918; 45c in 1919.

Red Tall salmon, fancy, No. 1, 20c in 1914; 20c in 1915; 20c in 1916; 25c in 1917; 30c in 1918; 35c in 1919.

Aples, No. 10 cans, 25c in 1914; 30c in 1915; 30c in 1916; 30c in 1917; 40c in 1918; 60c in 1919.

W. M. Jackson of Parnell was here on business yesterday.

LEWIS GILBERT KISER D. AT NIOVARA, NEB., Mo.

Mother at Bedside at Time of Death—Body Here Tomorrow—No Funeral Arrangements Yet

Lewis Gilbert Kiser, son of Mr. and Mrs. C. W. Kiser, died at Niovara, Nebr., at 2 o'clock Monday of typhiod fever. His mother was at his bedside when he passed away. The body will arrive Wednesday noon, accompanied by his parents, sister and brother-in-law. The funeral arrangements will not be made until the body arrives.

YEO BROS. HAVE REMODELLED POOL HALL AND ADDED TABLES

Now Have Eight Tables, Three New Ones Having Been Added, Making a Fine Pool Hall

Yeo Bros., proprietors of the pool hall on Main street, have remodelled part of the interior of their pool hall and are adding three new tables. This makes eight tables, placed the entire length of the building. With the new interior fixed up and the added number of tables, Yeo Bros. now have one of the finest pool halls in this part of the state.

COUNTY COURT GRANTS PETITION OF ROY LIPPMAN

To Widen Road in Front of His House for Quarter of Mile—Lyle Gets $150

The county court which heard the petition of Roy Lippman to widen a road running in front of his house and the remonstrance of Robert Lyle, who lived on the other side of the road, granted the petition to Mr. Lippman. The court allowed Mr. Lyle $150 damages, which sum the petitioners must pay. Mr. Lyle originally asked for damages amounting to $1,000. The road in question runs for a quarter of a mile east and west, between the Martha Washington school house and the bottom road on the east. W. A. Blagg was counsel for Lippman, while Cook & Cummins were counsels for Lyle.

W. O. W. AND W. C. PLAN TO HOLD ANNUAL ENCAMPMENT

August 21, 22, 23 and 24 Have Been Set as the Days of the Outing and Bridgewater the Location

The members of the W. W. W. and the W. C. lodges will hold their annual encampment at Bridgewater on August 21, 22, 23 and 24. This encampment is one of the biggest social events of the year for the lodge members and preparations are on foot to make this year eclipse all past efforts in having a good time. The advance guards will go out and pitch tents and make the camping ground shipshape before the arrival of the rest. All members are urged to attend the encampment for a whole or part of the time. Plenty of accommodations have been provided for.

In the way of amusement there will be swimming, boating, fishing and watermelon eating. A prize will be offered to the lady who catches the largest fish. Arrangements have been made for music to be furnished by the W. O. W. stringed quartet. The promoters of the affair guarantee a touch of real life to all comers.

GRAHAM PEOPLE IN ACCIDENT

Car Skids Into Ditch But No One Is Hurt Seriously

Miss Eva Collins of Graham was severely shaken up, but not seriously injured Sunday night, when an automobile in which she was riding skidded and ran into a ditch about three miles southwest of Maryville. The car was owned and driven by Bryan Parsons, who was unhurt. Charley Collins, Belle Richey and Steven Lance, other occupants of the car, were also uninjured.

SUIT IN EJECTMENT

Clarence Baker Brings Action Against Lewis Anderson for Possession of Strip of Ground

Clarence C. Baker filed suit today against Lewis Anderson for possession of a strip of ground between their two places, which the petition states Baker is rightfully owner of. He also asks for damages of $300 for unlawfully withholding same from plaintiff and $5 a month rent for the same. Cook & Cummins are representing the plaintiff.

Miss Olivette Godsey has been visiting in Jameson, Mo., since Saturday with her cousins, Mr. and Mrs. Bryce Adcock.

THE MIGRATING SEASON NOW ON

MARYVILLE YOUNG PEOPLE TO LEAVE SOON FOR COLLEGE.

TEACHERS TO LEAVE

A Large Number of Maryville Residents Will Teach in Other Places This Year.

The next three weeks will be migrating season for many of Maryville's young people who embark this year on college careers or who return to college to resume their courses. The same period is the time for fond memories of a vacation season almost spent on the part of teachers who leave soon to take up their work in various sections of the country.

A return to pre-war conditions in the colleges of the country is indicated by the number of young people contemplating college courses this year. An incomplete list of those who will "go away" to school, together with the school they will attend, is given in the names that follow:

University of Missouri, Columbia: Virgil Rathbun, Ralph Yehle, Jack Costello, Forrest Gillam, Eugene Yehle, Jack Holt, Chester Lyle, William Van Cleve and Cliff Hull, school of journalism.

State School of Mines, Rolla, Philip Colbert, John Wallace, Francis Halasey.

State Normal School, Pittsburg, Kan., Paul Pickens, manual arts and coaching.

Northwestern University, Evanston, Ill., Miss Mildred Bellows.

Rush Medical School, Chicago, Ill., Winifred and Ruskin Hawkins.

St. Louis University, John Owen Murrin, medical course.

St. Mary's Academy, Notre Dame, Ind., Miss Marguerite Cummins.

William Woods College, Fulton, Mo., Misses Virginia Robinson and Loretta Gex.

Drake University, Des Moines, Ia., Miss Laveta McClanahan, Guilford.

University of Wisconsin, Madison, Wis., Charles Bellows, Jr.

Mt. Scholastica College, Atchison, Kans., Miss Bauline Mahoney.

Teachers who make their home in Maryville but who will teach in other parts of the state or out of the state are as follows. The list is incomplete:

Miss Maud McMillan, Milwaukee, Wis.

Miss Alice Orcutt, head of intermediate department, Oakland, Calif.

Miss Bertha Ritze, Minneapolis, Minn.

Miss Dora Carpenter, supervisor of foods and sewing, Watertown, S. D.

Miss Nina Bent, English and art, high school, Taylorville, Ill.

Miss Mabel Curnutt, instructor home economics in high school and music supervisor in the grades, Ord, Neb.

Verne Pickens, manual training and coach, Lawton, Okla.

Lloyd Hartley, manual training and coach, Texarkana, Texas.

Miss Josephine Keeler, Tacoma, Wash.

Miss Nelllie Wray, supervisor music and art, Orange, Texas.

Miss Julia Denny, Oklahoma City, Okla.

Miss Arlie Hulet, head of home economics department;; Misses Mary Wallace, Mary Lewis and Esther Deitz, El Reno, Okla.

Miss May Growney, English and Latin, Big Horn, Wyo.

Miss Hazel Wallace, English and Latin, Stanberry high school.

Misses Elizabeth Cook, Nelle Tobin, Edna Banewitz and Mamie Kane, St. Joseph.

Madison Wilson, Guilford, principal ward school, Oklahoma City, Okla.

Warren Breit, superintendent Forest City, Mo., schools.

Miss Sebee Rowley, Webster Grove, Mo.

Donald Robey, manual training, Twin Falls, Idaho.

Miss Jessie Mutz, head economics department, Hanford, Calif.

Alva Hill, consolidated school near Mound City, Mo.

Miss Marie Landfather, Ravenwood.

Miss Frances Smith, English in high school; Miss Stella Smith, mathematics in exclusive seventh grade school, San Antonio, Texas.

Miss Olivette Godsey, English, history and music, Stanberry high school.

Miss Dale Hulet, head commercial department in high school, Mangum, Okla.

Miss Lucile Airy, commercial department, girls' boarding school, Brewton, Ala.

Miss Ruby Melvin, Long Beach, Calif.

Harvey Watson, manual training, Colfax, Wash.

AVIATORS REACH U. S. SOIL TODAY

$7,500 RANSOM PAID FOR LIEUT. PETERSON'S RETURN

RELEASED BY STRATEGY

Capt. Matlack, Cavalry Officer, Goes Unaccompanied to Bandit Rendezvous After Lieutenant Davis

Washington, Aug. 19—Reports that an American punitive expedition, commanded by Colonel George Langhorne, crossed into Mexico to run down the bandits and Mexican kidnappers, who carried off and held for ransom two American aviation experts, reached here today. The report was most specific but officials of the War Department refused to confirm it, although they did not deny it. Secretary of War Baker refused to talk, saying he might have something to say later on. At noon Baker conferred with Lansing following which he declared again that he would make a statement later.

Marfa, Tex. Aug. 19—Lieutenants Harold Peterson and Paul Davis, American aviators captured by a band of Mexican bandits and held for a $15,000 ransom, are safe today on the United States side of the Mexican border. Lieut. Peterson's freedom was bought for $7,500 and Lieut. Davis was rescued by Capt. Matlack, 8th Cavalry, who unaccompanied, went to the bandits' rendevous and brought about the release of both aviators. Lieut Peterson crossed the border shortly after 1 o'clock this morning. One hour later Lieut. Davis and Capt. Matlack reached American soil. The release of Davis was secured by strategy.

FLUSHING MAINS MAKES WATER DIRTY TODAY

Settling Basins Are Also Being Cleaned—Everything in Fine Shape, Says Mayor Garrett

Why was the water muddy today?

This question was answered by Mayor Garrett this morning, who stated that the water mains are being flushed out today and that the muddiness of the water is only a temporary condition. After the mains have been thoroughly cleansed the water will be clear again.

In addition to cleaning out the mains the settling basins at the pumping plant are being cleaned, and the system will soon be in tip-top condition. Basin number one was drained this morning and will be cleaned today. Basin number two was cleaned last week.

There is more water in the reservoirs than there has been for some time, and after the cleaning process is finished there will be clear water in abundance. In the words of Mayor Garrett, "We have plenty of water in the reservoir; we have plenty of coal to pump it with—we couldn't be in better shape."

The mayor also suggested that water users help along the fall cleaning by draining out the range boilers or reservoirs in their own homes.

With the time still several days off for the opening of the bids for the installation of new equipment as authorized in the recent bond issue, Mayor Garrett is in receipt of several bids. The bids will be opened on September 2, and the mayor is hopeful of an immediate start on the work of installing the new plant.

PICKERING GIRL HURT

Miss Alice Garten Breaks Collar Bone in Auto Accident—Is Doing Well

Miss Alice Garten of Pickering, who was thrown from an automobile in an accident near Maryville Sunday evening, is doing nicely today. She received a broken collar bone, but was not hurt internally. The other occupants of the car, Edwin McKee and Everett Swaney of Pickering, and Miss Mary Scott of near Pickering, were not hurt seriously.

The accident occurred near Pickering, the car turning over and throwing out all the riders.

GRAHAM TO HAVE HOME COMING DAY

SOLDIERS WILL BE GUESTS OF HUGHES TOWNSHIP

PICNIC—BASKET DINNER

A Full Program Has Been Arranged and There Are Several Added Attractions

Soldiers' Home Coming Day for Hughes township, will be celebrated at Graham, Thursday, August 21, with an old fashioned "picnic" and basket dinner to be held in the Kyle pasture.

There will be a program both morning and afternoon of songs, readings and speeches, and several added attractions have been secured. W. A. Blagg of Maryville will make the principal address in the afternoon. Lieut. J. V. Hyde in his ninety horse-power Curtiss biplane will make a flight in the morning at 11 o'clock, when he will demonstrate the dare-devil tricks used by American army flyers in the great world war. Lieut. Hyde is the flyer who took up passengers during the Maryville fair.

The Vanderbilts, contortionists and acrobats, are another attraction secured from the Nodaway County Fair. Music will be furnished by Lum Patterson's New Point, Mo., band. A ball game will be staged in the afternoon between the Graham and Clearmont teams and there will probably be other games. Quoting from the bills advertising the event, "there will be 'something doin' all the time."

Soldiers will not be required to wear uniforms. The affair is given in honor of the soldiers, and all others are expected to contribute to the basket dinner. Paper plates will be provided.

The program for the day is as follows:

MORNING

Invocation	Elder S. D. Harlan
Music by the Band	
Reading	Mary Crawford
Reading	Glee Hukill
Song—"We'll Never Let Our Old Flag Fall"	By Chorus
Flag Drill	
Song	Mrs. Carl Helzel
Reading	Frieda Bennett
Reading	Miss Edna Bond
Hoop Drill	
Song "Home Again"	Chorus
Welcome Address	Rev. Frank DeBolt
Music	By the Band
Benediction	Rev. Rollie Poe
Dinner	
Afternoon Program—	
Music	By Band
Address	Hon. W. A. Blagg
Music	By Band

SEWELL AND KRAMER FROM A PARTNERSHIP

Garage and Tire Men to Conduct Business Under the Name of Sewell-Kramer Motor and Tire Co.

John H. Sewell, for the past seven years owner of the Sewell Garage and head of the Sewell Auto Co., and H. W. Kramer, who has been operating a tire repair shop in connection with the garage, have entered into a partnership and hereafter will conduct their business under the name of the Sewell-Kramer Motor and Tire Co.

The new firm will have excellent facilities for all kinds of repair work and will continue to handle the Overland automobile and Republic truck and Mohawk and Firestone tires.

Mr. Kramer wil continue in charge of the tire department, where he has been so successful in the past two and a half years. Prior to entering into partnership with Mr. Sewell, Mr. Kramer had installed complete equipment for the retreading and rebuilding of tires as well as the repairing of tires and tubes, and under the new arrangement friends predict an even more remarkable success than he has already enjoyed.

The senior member of the firm is recognized as a leader in the automobile industry and one of Maryville's leading business men. He will continue in charge of the automobile department of the business.

Miss Orcutt to California.

Miss Alice Orcutt left this morning for Oakland, Calif., where she will be head of the intermediate department of the public schools for the ensuing year. Miss Orcutt, who spent several weeks during the summer vacation with her parents, Mr. and Mrs. Frank Orcutt, recently returned from an extended eastern trip.

AIR SERVICE WEAKENED BY TOO SPEEDY DEMOBILIZATION

Would Be Powerless to Make Expedition Into Mexico if Needed for Duty There

Washington, Aug. 19—The disintegration of the army air service has been so rapid that should the United States have to intervene in Mexico now, there would not be enough flyers in service to maintain the expedition, General Mitchell, director of the air vice, told the House rules committee today.

BRIDGE OVER WHITE CLOUD BEING PUT IN BY COUNTY

Considerable Difficulty Was Had in Securing Workers and Conveyances to Haul Sand—A Steel Bridge

The bridge over White Cloud creek near the Lon Rodgers farm, northwest of Maryville, is under construction now. Considerable difficulty was had in securing help to haul sand for concrete work on the bridge. Three threshing machines in that neighborhood made it impossible for the farmers to extend their services. Finally two trucks were secured and George Craig and Elmer Bagby hired to haul sand. The bridge is to be of steel with concrete abuttments and floor.

FARM AT $450 AN ACRE

H. A. Watts Buys Jacob Sutterlin's 60-Acre Farm

The top price for farm land near Maryville was reached this week when Jacob Sutterlin sold his 60-acre farm about one mile northwest of town for $450 an acre, H. A. Watts being the purchaser.

Claud McCoy sold his 120-acre farm, located southeast of Burlington Junction, to J. F. Miller of Atchison township for $155 an acre.

The Henry Watts farm of 120 acres, located four and a half miles southwest of Maryville, was sold to Elmer Dougherty of Page county, Iowa, at $210 an acre, or $25,000.

All of the above deals were made by Allen Bros.

Colorado Visitors Leave.

Mrs. Marvin Bell and son, Albert Gordon, of Derby, Colo., who have been visiting Mrs. Bells' parents, Mr. and Mrs. J. C. Clayton, living near Barnard, and her sister, Mrs. Louella Landfather, and other relatives in Maryville, left this morning for their home.

Mr. and Mrs. Heber Michaelson and children, Basil, Jesse and Ermil, have returned from an automobile camping trip to Colorado Springs, Colo., where they visited friends.

Ohio Visitors.

Mrs. Henderson McFadden and Mrs. Lillie Porter and daughter, Margaret, of Cadiz, Ohio, arrived last night to visit their aunt, Mrs. R. G. Richey. They will also visit a cousin, John Richey, and family.

Texas Visitors Leave.

Miss Berneta Minkwitz of Richmond, Texas, and Miss Enola Sheppard of San Antonio, Texas, who have been guests for a few days of Miss Helen Todd, left this afternoon for Madison, Wis.

Several Buy Foodstuffs.

Several orders have been placed at the postoffice for the surplus army foodstuffs which is now on sale at that place. A number of others have stated they would place orders tomorrow. It is not expected that all of the foodstuffs alloted to Maryville will be disposed of.

MARRIED BY JUDGE JOHNSON.

Miss Eva Davidson, Richmond, Mo., was married to Henry C. Davidson, Richmond, Mo., late yesterday by Judge Johnson, justice of the peace. This was Judge Johnsons four hundred and eighty-ninth marriage since he has been a justice of the peace.

Mrs. Margaret Dodds left for her home in Bolckow this afternoon after spending a few days with her cousin, Mrs. Helen Hopkins.

PRESIDENT SURPRISES OPPONENTS

DOES NOT OBJECT TO INTERPRETATIONS OF TREATY

URGES SPEEDY ACTION

President Tells Foreign Relations Committee Treaty Must be Ratified to End Unrest

Washington, Aug. 19 — President Wilson today again urged the senate to immediately ratify the Versailles treaty. In a lengthy statement which he read as soon as the hearings with the foreign relations committee as guests began in the blue room of the White House, the president declared the present unrest throughout the country cannot be ended until peace is an actuality.

The president threw a bombshell into the committe before he finished his statement when he declared there could be no objections to interpretations accompanying the ratification of the treaty so long as such interpretations do not form part of the formal ratification itself. His objections to making such interpretations part of the formal resolution was that the long delay would be inevitable as a consequence as all governments concerned would have to accept in effect the language of the senate as the language of the treaty before ratification would be complete.

The assent of the German assembly at Weimar would also have to be requested if the treaty is changed, the president said. Qualifications as a prt of the treaty, the president said would cloud the entire document. The president declared that when three powers ratify, the treaty will become effective and pointed out that unless the United States acts promptly she wil be forced to leave the markets of central Europe to trade rivals.

NODAWAY COUNTY CATTLE WIN AT STATE FAIR

F. C. Barber and Sons Win Large Share of Premiums at Sedalia—A Bellows Calf Wins

F. C. Barber and Sons of Skidmore again demonstrated the superiority of Nodaway county in fine beef cattle last week when the Barber entries in the Shorthorn classes at the Missouri State Fair were awarded the blue ribbon in both the senior and junior bull calf classes and four seconds, five thirds and two seventhsin other classes.

In the herd classes Barber and Sons won second on calf herd, third on young herd and both second and seventh on get of sire. In the aged bull class the Barbers won third on Village Perfection; junior yearling bull class, third on Village Emblem; senior bull calves, first on Village Signet; Junior bull calves, first on Rapton Villager; senior yearling heifers, second on Village Viola; junior yearling heifers, third on Village Emma 10th; Junior heifer calves, second on Village Violet; senior heifer calves, first on Village Emma 16th, and seventh on Perfection Rose.

Barber and Sons were the only Nodaway County exhibitors at the State Fair this year, it being too early in the season for Bellows Brothers or Ogden and Son to enter their cattle. However Supreme Queen, a calf bred by Bellows Brothers and sold by them recently, was entered at the show by its present owner, and won both the junior championship and the grand championship.

Miss Mildred Shinabarger is spending the week with Miss Lorctta Gex, at her home near Graham.

For Representative in Congress.

I hereby announce myself a Democratic candidate for Representative in Congress, Fourth Congressional District, Missouri, subject to primary election, first Tuesday in August, 1920. ROBERT I. YOUNG.

A15tf

WANT RETURN TO NORMAL CONDITION

REP. SCOTT FARRIS SAYS PEOPLE WANT SPEEDY ACTION.

G. O. P. CONGRESS FAILS

Republicans Must Substitute Constructive Action for Words or be Deposed from Power.

Washington, D. C., Aug. 19.—Immediate relief from profiteering, prompt ratification of the peace treaty, including the League of Nations, and legislation extending some sort of substantial recognition to discharged soldiers for their services during the war are some of the things the country demands of Congress, and which Congress would do well to grant, in the opinion of Representative Scott Ferris of Oklahoma.

Representative Ferris, who is Chairman of the Democratic Congressional Committee, has just returned to Washington from a trip to the middle west. He declares that the public is tired of the unending debate for which the present Congress is most celebrated and which gets nowhere, and that unless the Republicans, who control Congress, substitute constructive action for words before much longer, they will hear from the country in tones that will be very distinct.

"If I am any judge of public sentiment the middle and southwest," said Mr. Farris, "the preponderance is that the peace treaty, including the League of Nations, be agreed to at the earliest possible date; that the war be finally closed; that peace and pre-war conditions be immediately restored, and that we get back to normal conditions at the earliest possible moment. The people understand full well that the peace treaty carries provisions, first, for arbitration; second, for disarmament; third, against secret treaties and, fourth, that the United States can, on two years' notice, withdraw from the League if she desires. They are heartsick about debates on Shantung and other technical phases—they want the whole matter agreed to and put behind them.

"If I am any judge, the people demand some immediate and affirmative protection against profiteering and those who are making abnormal profits out of the necessities of life. They also want it made perfectly clear that President Wilson's suggestions will be followed and that every profiteer in whatsoever walk of life be required to content himself with reasonable profits. Conditions are too abnormal and the load of the citizen is too heavy at this particular time to withstand the fabulous profits that are being snatched from both producer and consumer on every hand.

"The people demand that Congress do for the four million discharged soldiers what other countries are doing—give them some substantial recognition of their service. In conversing with numerous soldiers on the subject, they express the hope that the Mondell soldier land bill might be materially amended so that it will be made to benefit a very much larger number of soldiers and extend the hand of opportunity to those who do not desire to enter a soldier colonization plan.

"In short, if I am any judge, the people of the middle and south west desire to put the abnormal war conditions behind them as rapidly as possible, resume pre-war conditions and take up their tasks anew, and any delay or long-drawn-out debate in the Senate over the peace treaty will be disheartening to them, as it will be unprofitable to the country at large.

"I see that it has been asserted by Republicans now in control of both branches of Congress that the legislation on the calendar is 'chicken feed' and does not deserve the attention of Congress.

"The American people, who are daily being robbed by profiteers and food gamblers, will be slow to agree with this logic. The railroad problem, intricate though it be, deserves attention now. The development of the west by appropriate legislation for the development of oil, coal and other natural resources are all held in abeyance. Unless the Republican leaders in Congress are totally wanting in initiative, and are totally without ability to assemble themselves and act, substantial and immediate steps should be taken for the solution of these problems.

"The Republican Congress has been in session nearly three months. All it has been able to do is to re-enact the bills the Democrats formulated in the last Congress and which were killed by the epublican filibusters in the Senate. They have initiated nothing new. They have made no substantial effort to achieve the things for which the American people are clamoring. They have been without vision and without ability to cope with the problems that come up. The Republicans have been entrusted with power, it is their move."

Special Demonstration during National Caloric Week August 23rd to 30th. Prepare for winter now. Let us explain how the Caloric Pipeless Furnace saves half the fuel and is so clean to operate. Howard Wray Hardware Co. 18 tf.

NEW YORK TRAFFIC NORMAL AFTER TRAFFIC STRIKE ENDS

Elevated and Subway Lines Running as Usual Today After Yesterday's Walkout

New York, Aug. 19.—Traffic was resumed on New York subways and elevated lines today. The strike was declared off early today.

PESBYTERIANS DEFEATED BY 10 TO 5 COUNT IN TWILIGHT

The Presence of the Black Brothers in the Christian Lineup Was Too Much of Handicap

The baseball game between the Presbyterians and the Christians in the twilight yesterday ended with the latter victors. The count was 10 to 5. The Christians owe their victory largely to the presence of the Black brothers in their lineup. The game was hard fought throughout and the Presbyterians never gave up until the last man in the fifth inning struck out.

Brazil will manufacture quinine and distribute it through malarial sections of the country.

Meats in Storage Not "Hoarded"

Live stock is a seasonal crop—like cereals and grains.

It is "ripe" and is marketed in larger quantities in certain months. This causes a natural oversupply at one time and a natural shortage at another.

During the time of oversupply Swift & Company places some of the meat in cold storage, against the season of short production.

This is a necessity in order that the nation's ration of meat—58,000,000 pounds every day in the year—may be forthcoming as the consumer requires it.

This is not hoarding, not price manipulation, not market control. It is mere common sense.

United States Bureau of Markets' figures of stocks of frozen and cured meats July 1 are being used as a basis for Department of Justice investigations in many cities. When properly analyzed, based on Swift & Company's stocks, these figures show:

62 per cent (approximate) is pork and beef cuts, etc., cured and in process of curing. It takes 30 to 90 days in pickle or salt to complete the curing process.

12 per cent is frozen pork, of which more than three-quarters is to be cured in the next few months.

7 per cent is lard. This is a normal supply and only four-fifths of a pound per capita, and much of it will have to go to supply European needs.

19 per cent is frozen beef and lamb, and miscellaneous meats, part of which is owned by the Government and was intended chiefly for over-seas shipment. If this were all diverted to domestic trade channels it would be only 2½ lbs. per capita—a 5 days' supply.

100%

From this it will be seen that "meats in storage" represent unfinished goods in process of curing and the working supply necessary to assure the consumer a steady flow of finished product.

Swift & Company, U.S.A.

A SWIFT DOLLAR — WHERE IT GOES — 12.96% Expenses — 85% To Stock Raiser

THIS SHOWS WHAT BECOMES OF THE AVERAGE DOLLAR RECEIVED BY SWIFT & COMPANY FROM THE SALE OF MEAT AND BY PRODUCTS. 85 CENTS IS PAID FOR THE LIVE ANIMAL. 12.96 CENTS FOR LABOR EXPENSES AND FREIGHT. 2.04 CENTS REMAINS WITH SWIFT & COMPANY AS PROFIT

K. OF C. SPENT FIFTEEN MILLIONS IN WORK

One-Half of Fund Went for Delicacies Which Were Given Away to Soldiers and Sailors

New York, Aug. 18.—Approximately 7 million dollars of the funds expended by the Knights of Columbus for war work during the year ending June 30 purchased "creature comforts," which were distributed to the men of the army and navy free of cost, according to a report on war activities of the Knights issued here yesterday by the organization's supreme board of directors.

Among the supplies distributed were 900 million beef cubes, 618 million cigarettes, 33¾ million pipes, 546,851 pounds of pipe tobacco and 3 million pounds of candy.

In the thirteen months, says the report, the Knights received 17 million dollars of the 25 million dollars alloted them in the United War Work campaign to which was added $1,776,409 which had been collected by the Knights prior to the war work dirve. Disbursements were, for activities in the United Staes, $5,468,060.79, and for activities overseas, $9,550,082.62, a total of $15,018,143.41, leaving unexpended a balance of $2,112,151.46.

Of the funds expended in the United States, $1,303,022.85 went for construction of huts and other buildings and rentals. A total of 461 buildings in thirty-two camps were operated. Personnel expense including salaries, traveling expenses, uniforms and other personal equipment cost $1,046,680.11 for a total personnel of 1,134. Other large items included $74,659 for activities on the service program, including athletics, entertainments, and educational, social and employment service; $138,058 for general administration; $170,244 for motor transport service. Overseas, the Knights spent $50,294 on building and equipment; $623,700 on personnel expense; $438,438 on activities on service programs; $110,032 on motor transportation; $166,932,933 on freight and insurance; $89,253 on general administration. In addition to nearly 5 million dollars expended overseas for creature comforts, $3,508,448 was disbursed through overseas commissioners for expenditure in the various overseas activities.

The Knights maintained overseas 125 huts and clubs of substatial size and equipped about an equal number of smaller clubs. Thirty-two clubs were maintained in Germany, four in Italy, nine in the British Isles and one in Antwerp.

The Knights sent 1,075 workers overseas out of a total number of 7,414 applicants. New York state led with 292 Illinois supplied 93, Pennsylvania 61, Indiana 38. Every state in the Union was represented in the overseas rank of the Knights of Columbus.

Almost a Shadow, Afraid to Eat

"My son-in-law was so bad from stomach trouble that he was reduced to almost a shadow and was afraid to eat anything, as all food caused bloating of gas which pressed against his heart, worrying him very much. Our druggist persuaded him to try Mayr's Wonderful remedy and in two months he looked fine, can eat anything and works hard every day." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Maryville Pharmacy and druggists everywhere. ADV.

Wirthmor Silk Blouses

—make their debut tomorrow, and fortunate will be those who come in time to buy

—In the Blouse making world as well as with hosts of women throughout America the word WIRTHMOR has come to have a wholly unique, definite and distinctive meaning. It is a symbol always of quality; an unfailing sign of merit; a certain indication of Style attractiveness and inbuilt goodness; a positive assurance of complete and lasting satisfaction. To that great Wirthmor following, as well as to the women everywhere who spend judiciously, who insist on the greatest return for the expenditure, the fact that Wirthmor Blouses are hereafter to be obtainable in beautiful Georgettes and Crepe de Chine and wash satins of exceptional quality will come as a bit of most welcome news.

In this new group of models (four of which are above illustrated) there's a pleasing diversity of Style. Some of the models are handsomely embroidered, others are Filet last trimmed, while others depend on an attractive arrangement of tucks, pleats and buttons for their appeal.

Wirthmor Silk Blouses $5

The Same Price the Nation Over

If bought and sold in the ordinary way these Blouses would have to sell for far more. Bought and sold, however, in the WIRTHMOR way, the way that makes for innumerable economies in both the manufacture and sale, this very modest price is possible. They are not five dollar Waists, but Waists which we, and we alone in this city because of the very fortunate arrangement with the Wirthmor manufactures can sell at this price.

JUST A LIMITED QUANTITY AND NO MORE OF THE SAME STYLES WILL BE OBTAINABLE.

Sold at Just One Good Store in Every City and Sold Here Only.

Dowden Pays $250 an Acre.

Sheriff John F. Dowden has purchased the Jonathan Sprague farm, located five miles northwest of Maryville, at $250 an acre. There are 160 acrse in the tract.

RAIN HELPS CORN CROP THROUGHOUT THE STATE

Wheat is Not Threshing Out Up to Expectations—Apple Crop Is Fair

Jefferson City, Aug. 19.—Following is a synopsis of the weather and crop conditions in Missouri for the week just closed:

"The hot weather of the preceding week continued during the first two or three days of last week, but beginning with and following Thursday the weather was unusually pleasant for outdoor work and the lower temperatures were rather beneficial to growing crops. Local showers with some good rain fell in the north central counties extending from Boone to Putnam and from Caldwell to western Ralls county. The total fall exceeded one inch in Macon, Linn, Sullivan, and in Adair it was from two to three inches. Corn in this section has been greatly benefitted and will make a fair to good crop. The rain also was very heavy in Vernon county and parts of the adjoining counties. Elsewhere it was light and entirely lacking. From Mercer to Atchmoisture.

"In Franklin, St. Louis and Jefferson, thence southward, corn is poor to very poor, especially on the higher lands, and similar conditions prevail in Greene and the southwestern counties.

"Threshing wheat made fair progress in some sections and little or none in others because of a scarcity of machines. There are some good local yields, but as a rule both the yield and the quality are much below expectations.

"Pastures are fair to good where rains have fallen, but elsewhere, and particularly in the southern half of the state, the are thin and brown. A few stockmen are feeding. The hay crop is fair to good. Garden where rains have fallen are giving fair returns.

Cotton in Pemiscot county is fair to good. In Dunklin and other cotton counties it is fair to poor. The weather has been to hot and dry and the crop remained in grass too long for best results.

The apple crop is fair to good in portions of the Ozarks and on some of the Missouri river hills, but there is considerable drop.

Considerable fall plowing has been done where the ground is not too dry.

"In times to come, by natural selection, there will be a race of chickens that will not try to cross a road in front of a motor car," the Manhattan Mercury says. "Those that do now fail to reproduce their kind."

LOST—At the fair grounds, piece of tapestry marked C. Crane. Reward. A. B. Crane. 19-21*

Social, Clubs Churches

I. I. Club.

Mrs. John Halasey was hostess last Wednesday afternoon to the I. I. Club. Light refreshments were served by the hostess to seven members and one visitor, Mrs. Tab McDowell. The club will hold its next meeting Aug. 27 with Mrs. Byron Kinsley.

Miss Grems Hostess.

Miss Della Grems was hostess this morning to the Tuesday Afternoon Bridge Club. Mrs. Ferdinand Townsend received the favor for high score. Mrs. Hosick Holmes of Omaha, Nebr., and Miss Margaret Beattie of Newport, Ark., were guests of the club.

For Miss Pearson.

Miss Matie Price entertained a number of her friends last night at her home on East First street, in compliment to Miss Helen Pearson of St. Joseph, who has been spending the week here with friends. Hearts was played from four tables and the prize was awarded Lee Cook of Barnard. Refreshments were served at the conclusion of the games.

For Des Moines Visitors.

Miss Katherine Carpenter gave a movie party at the Empire theatre last night in compliment to Misses Mary and Margaret Foster of Des Moines, Ia., who left for their home today after visiting relatives here. Refreshments followed at the Maryville Drug Store, and the guests included the Misses Foster, Misses Geneva and Marjorie Wilfley, Miss Elizabeth Leet, Miss Marguerite Cummins, Miss Anna Bainum and Miss Lillian Carpenter.

Bell Family Dinner.

Mr. and Mrs. Albert E. Bell gave a family dinner Sunday noon at their home on South Walnut street. Plates were laid for Dr. and Mrs. Charles T. Bell and little son, Charles Robinson, Mrs. T. L. Robinson, Mr. and Mrs. John Clary and son, Junior, of Clearmont, Mrs. Marvin Bell and son, Albert Gordon, of Derby, Colo., Mr. and Mrs. John Richey, Miss Mary Margaret Richey and the host and hostess.

Hyde Dinner.

Mr. and Mrs. Del Hyde, living east of Pickering, entertained at dinner Sunday, their guests being Mr. and Mrs. Fred Carothers and daughter, Vivian, Mr. and Mrs. M. H. Wallace and children, Marian and Doris, all of Nodaway, Ia., Mr. and Mrs. Virgil Hyde and sons, Ervil and Eugene, of Lenox, Ia., and Cecil Hyde.

Guests at Cummins Home.

Mrs. Mayme O'Malley and daughters, Elizabeth and Kathleen, of St. Joseph, are guests of T. A. Cummins and daughter, Miss Marguerite Cummins. They have been visiting in Albany and motored here Sunday with a party of friends from Albany, who spent the day at the Cummins home. The Albany guests included Misses Lulu and Elma Hundley, Mrs. Boyd Smith and Lloyd Patton.

Moberly Family Dinner.

A reunion of the family of Mrs. David Moberly of Pickering was enjoyed Sunday at the home of Mr. and Mrs. W. T. Rutherford. Mrs. Martha Moberly was 80 years old last June and has been an invalid for many years. The fourth generation of the family was represented Sunday. Those present were Darius Moberly and family of Tulsa, Okla., Mr. and Mrs. Elmer Moberly of Maryville, Mr. and Mrs. John Moberly and daughter, Goldie, of Barnard, Arma Moberly and family of Cameron, John Williams and family of Stanberry, Mrs. Henry Rutherford and family of Burlington Junction, Miss Lanta Moberly, John McGuire, Mrs. M. V. Epps of Pickering and Elias Taylor of Lucerne, Kan. A picture of the company was taken as a reminder of the occasion.

For Florida Visitors.

Mrs. Lillian Selecman entertained with a dinner this noon, the affair being complimentary to Mr. and Mrs. S. T. Humber of Sarasota, Fla., who leave tonight for their home after spending the summer here with relatives. Those present were Mr. and Mrs. Humber, Mr. and Mrs. W. E. Estes and son, John, of Upland, Cal., Mrs. N. F. Humber, Mrs. G. W. Bowmer, Mary Elizabeth Selecman, Merle Selecman and the hostess. Mr. and Mrs. A. R. Estes will entertain the same company at 6 o'clock dinner tonight at the Estes cafe.

Your Coal Bill

is not the only expense of cooking with an ordinary stove—

There is the trouble and dirt, there's kindling to buy and there is coal dust and soot to contend with besides paying someone to haul away the ashes.

There is none of that with electric cooking, and besides it does the work BETTER.

When your turn the electric oven on and set it by the clock so it will heat JUST RIGHT to cook whatever you have to put it in, YOU KNOW THAT THE HEAT WILL BE EXACTLY RIGHT. You also know that it will be automatically turned off when the oven is hot enough and that the food will go on cooking till it is done and then stay hot till you take it out.

And all this advantage, saving and convenience is accomplished without costing any more for fuel than the coal stove way. We have shown what people are paying for electricity to cook with and if you will come to the office we will give you the average of all bills which should be a fair average of what it will cost you to cook by electricity.

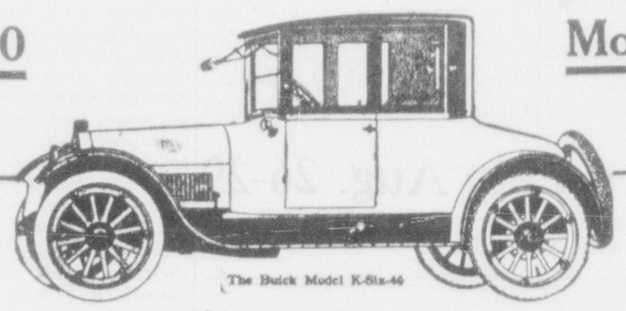
1920 Model K-46



The Buick Model K-Six-46

Buick Touring Coupe

THE BUICK Model K-Six-46 is a true Coupe model, with permanent sides and roof, an exceptionally wide body, and its graceful contour eliminates all open spaces between the body and fenders. From the outside, the appearance of the car is low, rakish and well-balanced, but there has been no sacrifice of interior head room. The rear fenders are new in design, with touring car running boards. Top, window casings and sashes, are fully metal covered, eliminating the possibility of checks and open joints.

The deeply upholstered interior is finished in a new and improved fabric, without bindings. Back of the driver's seat is a carrying space, with another in the rear deck. Electric side lamps are mounted on the cowl and a dome illuminates the interior. The double-latch doors may be locked from the outside.

The CaloriC is the heating system that is advertised nationally in the Saturday Evening Post, Country Gentleman and many other leading publications.

Everybody INVITED!

COME — ENJOY — AND PROFIT BY

See the Caloric full page Ad in Aug. 23d Saturday Evening Post

NATIONAL CALORIC WEEK
August 23rd to 30th inclusive

OVER 76,000 CALORICS IN USE

Save ⅓ to ½ the fuel

Heats entire Buildings of 18 rooms or less thru ONE REGISTER

Installed in old or new homes

GUARANTEED

On these days there will be a nation-wide demonstration of the famous

PIPELESS CALORIC FURNACE
THE ORIGINAL PATENTED PIPELESS FURNACE

We have made special preparations to make this an interesting and profitable event for every visitor. It will be an opportunity for you to learn how the heating industry has been revolutionized by utilizing the natural law of heat circulation—how the CaloriC heats entire buildngs, upstairs and down, through one register.

Possibly you may feel you are not ready to make any change in your heating system, but come any way. You will enjoy this demonstration and perhaps when you see what the CaloriC will actually do and learn its low first cost, and what it will save, you will realize, like 76,000 other people have, that you really cannot afford to be without it. COME!

The SANDOW TRUCK For Farm Work

HOW HEAVY WAS THE HEAVIEST LOAD YOU EVER HAD TO HAUL?

That's what you want to think about when you buy a motor truck—not how small a truck you can get along with, but how big a truck you will have to have to do ALL your work.

The thing that makes a truck pay for itself is its ability to do all the work required of it, do it economically and with the least wear.

The Sandow is built in six sizes, 1, 1¼, 1½, 2, 3½ and 5-ton. Every size is substantially overstrength so that it will do ALL the work required and a little more.

This is what makes the Sandow such an ideal farm truck—you can load it with anything and go anywhere with it. It is not a "cheap" truck, but a really substantial, hard-working, long-wearing machine that will be the most economical truck for the farmer to buy.
